KOREA MARINE SUPPLY CO., LTD

Your One Stop Supplier In Korea

2 Introduction

"we can do it"

With our firm belief that started off with only "We can do it!" we continuously tried to become a part of the new wind that is occurring in business, especially in Marine Business where most change is taken place.

We are very aware that our effort allows the customers to get familiar with us, Trust helps to raise our firm value, and that us being where the customers want us to be is a very simple fact. Because we know advices and counsels given by customers are a big engine to grow our firm, we will listen to your sincere opinions all the time.

To create a firm culture with technology, creativeness, and no regret for customers, all workers in KOMASCO will do our best to satisfy customers with endless updated technology and new advanced management technique. Also, we will do our best for customers' service by not missing a single harbor in Korea.

Sincerely Yours

Greeting

Organization

Quality & Environment

Why KOMASCO?

Why you should choose KOMASCO..... As Leading ship supplier in Korea.

Stability

We have been in this field over 20years with good reputation and have over 200 customers in the world.

30 personnel of very experienced our staffs will provide the best service with you & your vessels. All of our customers have been enjoying our service for a long time

Also we scored BB+ grade credit from famous credit-rating agency in korea.

Quotation

We established B-TO-B system with our suppliers in local market to source items with best price & best quality for the first time in korea.

The system make suppliers in local market to compete with the lower price & high quality products. This able us to prepare our quotation accurately, speedy with the best price & high quality products.

Delivery status

Once you place the order to us, you can check the status of your good order visiting our web after log-in at 'ORDER STATUS'

Wherever you would be in the world, Visting our web-site enable you to check how your good order is proceeding

It would ensure you safe receipt of the order & delivery on time.

Feedback

During our delivery, We present supplier questionnaire to the vessel then the vessel can evaluate our service & products.

All questionnarie will have vessel's evaluation, we enclose it to the invoice for your consideration. It makes all parties to know the result of the delivery and keep us to maintain good service.

Worldwide Net-work

As a member of EMS Ship Supply [Korea Representitive of EMS Ship Supply] We have world-wide network, so we can provide our service & necessary action at any where in the world.

Logistic Service

We operate our own forwarder. So we can provide logistic service with you for your good spare parts. We handle ship's spare parts from overseas for the delivery to the vessel in Korea. Also we can send your good orders and off landed items to overseas with the most economical way.

EMS Ship Supply

The acquisition of Spanish Provimar in 2007 provided EMS with a strong position in the Mediterranean and on the Iberian Peninsula. All previous Provimar operations in Spain, Portugal, Gibraltar, Morocco, Croatia, Uruguay, Argentina and the USA are now being operated under the EMS Ship Supply brand. The 2008 acquisition of Seven Seas Shipchandlers, with headquarters and warehouse facilities in Dubai and operations throughout

the Middle east, gave EMS Ship Supply a leading position also in this region, which is one of the world's most dynamic and fastest

Global service offering:

Our worldwide presence ensures precise delivery of all the supplies and spare parts you need wherever and whenever. EMS Ship Supply always offers products from leading manufacturers to achieve your satisfaction.

We have operations in more than 200 ports worldwide:

North- and Centre Europe (Rotterdam, Hamburg), South Europe and North Africa (Algeciras, Angola, Barcelona, Gibraltar, Las Palmas, and Asia (Singapore), Scandinavia (Oslo) and many more. At EMS Ship Supply, we are constantly aware of our clients' greatest concern – to save time and make money.

We aim to deliver your requirements fast and efficiently.
